

NON ALCOHOL SPARKLING LONGAN BEVERAGE

META BREW

KOMBUCHA LUXURY TASTE

Supporting Thai longan farmers by sourcing quality longans and transforming them into high-value products through the kombucha brewing process. By combining innovation with creativity, we create a modern and distinctive health beverage.

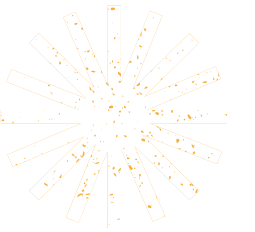

Kombucha

Presentation

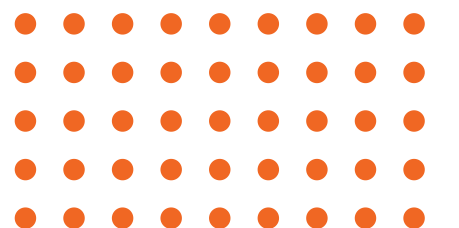

OVERVIEW

Kombucha delivers notable health benefits, further enhanced by nutrient-rich longan extract. The addition of malt and hops creates a craft beer-like taste and look without alcohol, offering a unique drinking experience while preserving kombucha's postbiotic and wellness qualities.

BENEFIT

Blended with longan, malt, and hops to support your overall well-being.

Antioxidants

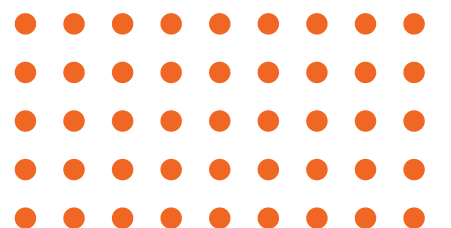

Organic acids

Polyphenols

DSL

330 ml.

Kombucha helps balance digestion, supports the immune system, provides antioxidants to protect cells, reduces inflammation, aids detoxification, and boosts energy with B vitamins.
